

HARLEY OWNERS GROUP®

MILLION

MILE MONDAY

June 28.2010

Greetings from the road!

In 2009 we contributed thousands of miles on Million Mile Monday by riding through all 6 states in Region 7! This year, I've switched things up a bit:

For 2010, I plan on riding from Wabash Valley Harley-Davidson in Terre Haute, IN to Jamestown H-D in Falconer, NY. Regional Manager Dan Mattias will be starting his journey near Boston and meeting us at our destination!

Gas stops will be short, saddle time will be long. Rain or shine, we'll put on about 560 miles. There will be a short lunch stop at A.D. Farrow's Northstar H-D in Sunbury, OH with food and beverages available. Last year, members from the area joined us for lunch or just stopped by to wish us well.

If you're riding along on this epic open-road journey, show up with an empty bladder and a full tank because ***we're launching at 7:00 a.m. sharp!***

If obligations don't let you ride all day, you can join us for a cup of coffee in Terre Haute and send us off in style. Or, if you're near Sunbury, OH at about noon, come on by to say hello over a quick lunch. Upon landing at Jamestown H-D (about 5:00 p.m.) we'll be greeted by other bikers for food and refreshments. Computers will be online so we can input our miles to be counted toward our 5 million mile goal at members.hog.com!

******If you're planning on joining us for all or part of the ride, or if we can look forward to seeing you at any of the stops, please email me with your plans:

So, get your Chapter fired up or ride solo when playing hooky from work.....just RIDE (and enter your miles on the website)!!!

Giving you more reasons to ride;
